

*“She is blessed of God, The Mother
Who sees her Son die on the Cross.
She is blessed of God!
She opens the age of Faith.”*

Hymn of Lauds, Office of the Assumption

Let us celebrate!

Yes, let us celebrate the Virgin Mary in the Assumption, this year,
as a woman, the glory of our humanity, who “opens the age of the Faith”!

Let us rejoice!

She is a model for us in so many of the mysteries of her life:
her welcome of the Word of God,
her family relationships, her attentiveness to those in need,
the incomprehensible events like the joys of giving birth -

The Assumption of Mary into heaven confirms all this as a path of glory.
So let us rejoice in this crowning of a life completely given!

Let us encourage each other along the same path,
at once both horizontal and vertical:

“Mary set out in haste” Lk 1:39-40

“in Mary all was adoration” RL prologue

*In communion of affection, mission and prayer,
We wish you a happy feast of the Assumption 2009!*
